#### Develop long-term digital capabilities

##### Diversify your business model by

- Piloting new concepts with a virtual brand

- Enhancing customer engagement with an online to offline strategy

(Up to 90% support under the Enterprise Development Grant)

<sup>1</sup> Please refer to the website for the full list of eligible third party logistics partners.

<sup>2</sup> Please refer to the website for the list of food delivery platforms under the Food Delivery Booster Package.

<sup>3</sup> E.g. If the current commission structure is 25% of total food delivery transaction value, the commission cost payable to the participating food delivery platforms will be reduced to 20%.

<sup>4</sup> The capability development pack is currently available at a one-time fee of S\$100; the remaining fees will be co-funded by ESG and the platform providers. These packs are available on a first-come-first-served limited basis.
