SUBMISSION CHECKLIST FOR NRTOL APPLICATION

This is not a form to be filled in. This is a checklist to guide you along for the submission of NRTOL.

List of items to be submitted to ORBA at least 30 days prior to commencement date of set-up:

1. LTA and SPF will need you to advise the following (please email the info below to Juliana separately)

- a. Any removal/shifting of bollards or planter boxes?
YES/NO
- b. If bollards are to be temporarily removed, please state which bollards are to be temporarily removed and the reasons for removal. If the answer to the above is NO, please type "Not Applicable".
- c. Please state the method of mobilisation of event set-up.
- d. Any vehicles driven on the Orchard Road pedestrian walkway during set-up?
YES/NO ("YES" will require compliance with PUB's set of guidelines)
- e. For temporary parking of vehicles on the road side, please provide the vehicles' registration no and location of temp parking.

2. Short Write-up about Pop-up (Not more than 100 words)

3. Detailed Event Proposal in **ONE (1) SINGLE DECK / DOCUMENT** which must include the following information:

- a. Describe what the Pop-up is about and what it hopes to achieve, i.e. event objectives;
- b. Event Details such as Location & Dates (including Set-up & Teardown dates)
- c. Describe the experiential activities within the pop-up area (for eg. photo opportunities, workshops, play areas, experiential corners,
- d. Describe the commercial activities (to take up not more than 30% of the pop-up area);
- e. Crowd Control & Queue Management Plan: Please indicate where the queue lines will be placed on your layout plan and specify the number of manpower (for eg. Security Officers & Staff) on standby to be activated to do crowd and queue management during peak periods;
- f. Loading & Unloading Plans and Vehicle List; and
- g. Set-up & Teardown Plans.

4. Layout Plan & Superimposed Visuals of Pop-up on UGR (in ONE (1) single document or it can be included in the event proposal)

- Layout Plan MUST indicate the 5-metre walkway clearance clearly.

5. Cleaning Plan (in ONE (1) single document)

- Cleaning has to be conducted daily for the full booking period, including the set-up and dismantling period. Please engage a NEA licensed cleaning company. This is a non-negotiable requirement.

6. Pest Control Plan (in ONE (1) single document)

- Pest control is to be done at least once a week. Please engage a NEA licensed pest control company. This is a non-negotiable requirement if your event duration is 7 days and more.

7. If Tapping Power from State Lamp Post*, please provide the following to ORBA:

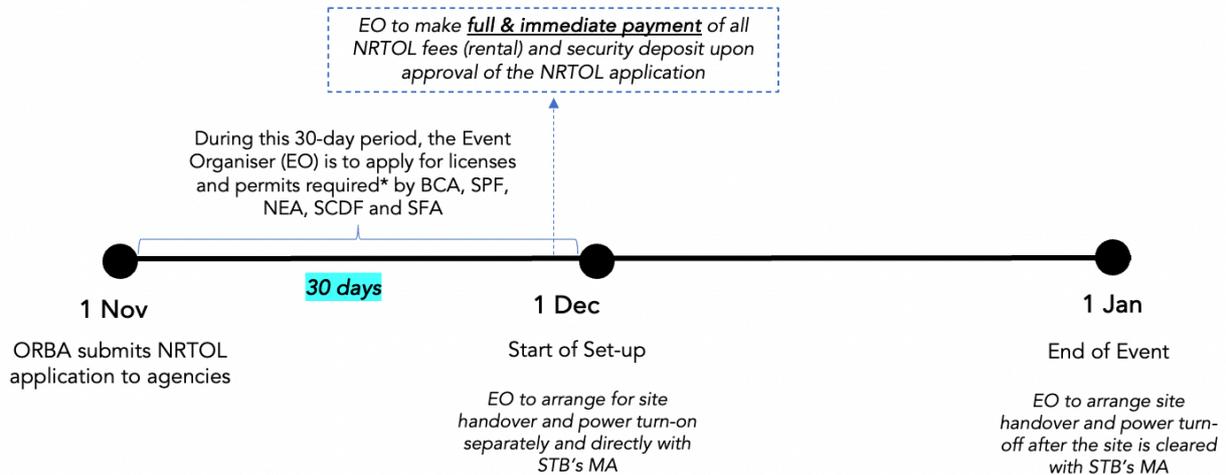

- Single Line Drawing (signed by your LEW);
- Cert of Compliance Form (signed by your LEW);
- CS3 Form (signed by your LEW); or
- **If Providing Own Generator:** Please get your appointed Licensed Electrical Worker to apply to EMA for the SI license and display the license on the deployed generator. The details of the SI license must be provided to ORBA during pre-event site handover.

*Electricity can be tapped from the nearest lamp post (PM Box). **Each lamp post supplies up to 32-amp single phase of power.** The Event Organiser may apply for multiple lamp posts/OG boxes, but it is subject to availability and site conditions. Hard copies of the above must be signed by the event applicant's LEW and submitted to STB's Facilities Manager and appointed LEW on the day of site handover and power turn-on. A fee will be charged by STB's appointed LEW for the turn-on and off of power according to the table on Page 3.

PLEASE PLAN YOUR TIMELINE BASED ON THE EXAMPLE BELOW.

EXAMPLE ONLY

Timeline for NRTOL Applications

*Licenses/Permits you may require:

1. BCA: Advertising License (ALS) and Permit to Use (PTU)
2. SPF: Public Entertainment License (PELU), Police Permit, Crowd Control Plan and Alcohol Permit (only for sale of alcohol)
3. NEA: Cleaning Plan and Pest Control Plan (to be executed by licensed NEA contractors only)
4. SCDF: Change of Use Permit
5. SFA: Food Handling Permit (only for F&B concepts)

PLEASE REFER TO THE FULL PROCEDURE OUTLINED BELOW:

1. Document Submission

The Event Organiser (EO) is required to submit all necessary documents, as listed in the attached checklist, to ORBA for final review and subsequent submission to the relevant agencies. Your pop-up concept must be **experiential and distinctive**, creating a unique visitor experience that enhances street vibrancy along the pedestrian mall by offering a differentiated and engaging activation. Please note that ORBA reserves the right to reject any proposal or concept deemed unsuitable for the image and positioning of the precinct.

2. Agency Review

Agencies require approximately 30 days to review the application, seek clarifications, and provide their in-principle no objections. During this period, the EO may proceed to apply for all necessary licenses from the relevant agencies (e.g. BCA, SPF, SCDF, SFA). Please note that the EO is expected to exercise due diligence in checking and ensuring that all required licences are duly applied for.

Applications received after the 30-day timeline will be rejected.

3. In-Principle Approval

Once all agencies have provided their in-principle no objections, ORBA will compile their comments and issue an approval email to the EO.

4. Payment

The EO is to make full payment of rental charges and the security deposit prior to site takeover.

5. Site Activation and Handover

The EO must coordinate with STB's appointed LEW for power activation/deactivation, as well as the site takeover before the event and handover after the event. Photos of the site must be taken during takeover and handover, with visible timestamps.

6. Security Deposit Refund

Upon successful handover of the site and settlement of electrical charges, ORBA will process the refund of the security deposit to the EO.

COSTS FOR TAPPING OF POWER FROM STATE LAMP POSTS

1. Vetting of Form CS3 document and Single Line Drawings: S\$354
2. Undertaking of EMA Licence: S\$177 per OG box per day
3. STB's LEW Attendance fee for Power Turn-on and Turn-off (minimum 2 hours per session):
